

## TAMPA BAY DOWNS - Profitable Trainer Angle Report

This report identifies historically profitable angles for Tampa trainers. To be included, the trainers must have had at least 250 Tampa starters during the past 5 meetings.

To be included in a distinct category (e.g., turning back in distance after a layoff of < 30 days), the trainer must have at least 20 starters meeting each criterion. For each category, we list trainers with a >10% win percentage and a \$2 win ROI > \$2.00. Trainers with an angle-specific \$2 win ROI > \$2.50 are listed in **bold** type. Those with a >30% win rate are identified with an asterisk.\*
